THE MERCY MISSION HOUSE

EMERGENCY SHELTER

Provide space to house the following groups for 30-90 days as they are evaluated for needed services:

- 12 women in the women's area
- 16 men in the men's area
- 3 family units
- 12 overflow beds
- Common area with space for up to 20 for overnight shelter only (8pm-7am)

MMH is partnering with the following agencies and more to help get needed services to those in our community to lead them from a helpless situation to a new life experience:

- Agape
- Alpha Community Center**
- American Red Cross
- Bridges Community Action Partnership**
- Family Resource Center**
- Holy Angels Soup Kitchen**
- Salvation Army
- Shelby County Metropolitan Housing
- Rustic Hope
- Shelby County United Way

The Mercy Mission House will have an intake procedure to help determine which agencies need to be involved based on the individual's situation. Do they need mental health services, drug addiction services, housing assistance, life skills training, budgeting assistance, job placement, benefits assistance, etc?

In 2020 alone, we had the following Shelby County citizens in need of our help:

- 38 confirmed chronically homeless
- Over 140 individuals needed some form of housing assistance (shelter, rent assistance, re-housing)
- 80-115 needing meals daily

How does having a shelter in Sidney help local businesses?

- Contact MMH if someone comes into or outside your business and you think they need assistance and MMH can help!
- Partner with us and let your customers know how you are not only a great local business, but you are working to help those in need.
- 84% of Millennials prefer to support socially responsible companies*.
